GOVERNMENT OF INDIA
MINISTRY OF WORKS MINES AND POWER.

No. DW.106/25/50. Dated New Delhi, the 21st September 1950.

From

Shri Sardari Lall Vij,
Under Secretary to the Government of India.

To

The Secretary to the Government of Hyderabad,
Public Works Department,
Hyderabad (Dn.).

Subject:- Formation of an Indian Engineering Servife (Irrigation and Hydro-electric Engineers).

Sir,

I am directed to invite a reference to your letter No. 1754/E., dated the 10th April 1950, on the above subject, and to say that your presumption that the procedure for drafting some of the present officers of the Irrigation and Hydro-electric Departments of the various States Governments, including the Government of Hyderabad, would be settled in due course by discussion amongst representatives of the participating Governments, is correct.

2. As regards the point raised in paragraph 2 of your letter, I am to say that the reservation of 25% of vacancies for promotion of officers of State Governments referred to in Rule 2(c) will not apply at the time of initial constitution of the cadre, but only for future promotion after the cadre has been constituted initially.

Yours faithfully,

Sd/- Sardari Lall Vij)

Under Secretary to the Government of India.

No. DM.106/12/51 New Delhi, the 4/5/1951.

From

Shri Sardari Lall Vij,
Under Secretary to the Government of India.

To

The Secretary to the Government of Bihar,
Public Works Department,
Establishment Branch, PATNA.

Subject:- Formation of an Indian Engineering Service (Irrigation and Hydro-electric engineers).

Sir,

I am directed to invite a reference to your letter No. 1874-S.IIB-31/50, dated the 10-10-50, on the above subject, and to reply as follows:-

(i) the presumption of the State Government that they would be consulted in due course about other details, such as the strength of the State cadres, etc. before the scheme is finally adopted, is confirmed;

(ii) the suggestion of the State Government that the Road and Building engineers might be included in the proposed service will be taken up for consideration later;

(iii) the presumption of the State Government that all officers of the State Engine ring Services, Class I, of the participating Governments who are engaged on irrigation, flood control, navigation, other river control and electricity undertakings would be taken in the proposed service to begin with as a nucleus, is generally correct, provided the officers come up to certain standards that may be prescribed; and

(iv) there will be separate branches for irrigation and hydro-electricity. Irrigation side will include

officers....

officers engaged on navigation and flood control, etc.

Yours faithfully,

Sd/- Sardari Lall Vij,
Under Secretary to the Government of India.
